

## HUSQVARNA LC 141Li (AU)

Ideal for homeowners or for trimming complex areas, this intuitive hassle-free battery mower can mow an average-sized garden quickly and quietly in a single charge. The mower is easy to manoeuvre due to its light-weighted and compact deck and ergonomic handle make it easy to steer even round small places. Compatible with all Husqvarna BLi-batteries. Includes battery BLi150 and charger QC80.

### Central cutting height adjustment

Quick and easy adjustment of the grass cutting height. One lever controls the whole deck.

### Li-ion power

The Li-ion battery provides long lasting power and top class performance.

### savE™

Choose savE™ for maximum runtime.

### Cordless freedom

No petrol, no engine noise, no direct emissions and just a push on the trigger to go. The powerful 36V Li-ion battery pack is designed for reliable, long lasting use, designed to be recharged hundreds of times. The Husqvarna battery family for the aware consumer includes both a grass trimmer, chainsaw and a hedge trimmer.

### Quiet operation

The low noise provides a comfortable work situation and low disturbance for others.

### Ergonomic handlebar

Ergonomic angle of the handlebar in combination with easy to reach bail arms makes operation easy.

### Additional features

#### Handle height adjustment

Quick and easy adjustment of the handle in two

#### Foldable handlebar

Easy to fold the handlebar to minimize space required

**Additional features**

different heights
